Description:

Dear Madam/Sir,

I am writing to seek your approval for the MBA project topic I have chosen, which addresses a real-life problem within our IT organization at NMIMS.

Title of the Project: Enhancing Profitability and Cost Efficiency for Essential Management through Cloud Cost Optimization and New Offering Development within ITSM

The motivation behind selecting this topic stems from the pressing challenges we have encountered within our IT department. By addressing this issue through a comprehensive research project, I aim to not only contribute to the improvement of our organization but also gain valuable insights into practical problem-solving within the IT sector.

In a nutshell, my project will focus

To enhance the profitability and cost efficiency of Essential Management by gaining comprehensive insights into cloud expenditure

Identifying factors contributing to cost escalation

proposing strategies for cost reduction.
Explore and recommend the development of new
cloud-based offerings that maximize profit.

Or

Attached file for more details about the project

I am enthusiastic about the opportunity to address a
real-life problem within our IT organization through
this MBA project. Your approval is a pivotal step in this
process, and I am confident that, with your support,
we can drive positive change and innovation within
our IT department.

Thank you for considering my request. I look forward
to your response and the opportunity to discuss my
project in more detail.

Sincerely,
Mohit Arora
